*Dear Dog Owner*

*Hi, my name is Sharon, my husband Clint and I are the Managers of McNevins Tamworth Motel just out of Tamworth in a village called Nemingha.*

*We thought it would be a good idea to send you an email in case you or any of your association members are travelling to Tamworth to compete or for leisure as we are a pet friendly motel.*

*Our Executive room has a pet enclosure off the back of it and is fully enclosed and fully undercover, please note pets are not permitted in any of the rooms due to health regulations, another option is you can tie your dog up at the front of the room as all rooms have a balcony. Situated on 3.5 acres there is plenty of room to park your car and dog trailer and plenty of room to exercise the dogs. We are also only an 8-10 minute drive to the Equine Centre.*

*We also have a lovely restaurant with great food, handy for people staying with their dogs so they don't have to venture out for meals and can keep an eye on them and we offer room service breakfast. I believe there are not many places in Tamworth that can offer this service so I hope that we may be able help you out in the future.*

*If it's country hospitality you like we are the place for you!!*

*Kind regards*

*Sharon & Clint Strathern
