SE QLD TRAINING DAY 2011 Schedule

Date: Saturday 25 June 2011

Venue: ADCQ Training Grounds, Tivoli Sports Complex, 69 Church Street, Tivoli

Camp Times: 8.30 am to 5.00 pm (1 hour lunch).

Conditions

All handlers, auditors and instructors must be financial members of ADAA.

ADAA expects that all training be carried out in a humane and positive manner. No harsh handling will be tolerated.

ADAA reserves the right to ask any member to leave or to stop them from entering their dog in any class/training situation if in the opinion of ADAA the handler has demonstrated bad sportsmanship or the handler has demonstrated harsh handling.

ADAA reserves the right to amend or remove selected classes depending on enrolled numbers or available instructors.

Cost per Person for the Day

With or without a Dog – includes participation in a full day of training.

Fee/cost for the day:

All members other than Junior - \$60-00

Juniors (10-16 inclusive) - \$40-00 (**must complete and return a Guardian Permission Form**)

Instructors - \$60 minus \$10 for each session instructed

Booking form AND payment must be received on or before 3 June 2011. No applications accepted after this date.

Camping

Limited space for camping will be available Saturday night ONLY at no charge. NO power and NO showers. Toilet facilities will be open. Please indicate on your booking form whether you will be camping Saturday night.

Meals

BYO lunch. ADAA will be running a BBQ dinner on Saturday night. Soft-drinks/water will also be available for sale. Please bring other snacks.

Refunds

The Participant (and their Guardian where appropriate) has read and understands ADAA's Refund Policy, which is available at http://www.adaa.com.au/_policies/POL-FIN-13-Refund-Policy-080124.pdf and by signing and lodging the Booking Form agrees to and is bound by the Refund Policy.

Shirts, Jackets and Clothing

There will be ADAA clothing for sale at the Training Day. There will be several different styles/colours available on a first come, best served basis.

Cost of items will vary from \$20-00 for t-shirts to \$40-00 for jackets.

Plan your ideal Program to suit both you and your Dog

Members may work multiple dogs over the day. However, they may only work one dog for any one Class/Session. By choosing to only work your dog in a class/session you really feel will provide the most benefit to you and your dog, and then choosing to crate/rest the dog, grab a note book and take notes for other classes, you may find a good balance that provides you with the most knowledge and skills from the weekend.

The three competency levels are as follows:

All: Any dog/handler team may handle a dog at a session/class with the prefix of "All" or "Theory".

Some Experience: Dogs that have basic skills and are proficient on hurdles and tunnels may join sessions/classes with the prefix of "Some Experience".

Experienced: A dog may only join a class/session with the prefix of "Experienced" if they have their AAD and currently compete at Intermediate level with the dog.

Every class/session will be designated/prefixed with one of the above so you can decide where your dog will be most suited. Remember it will be a busy day so please do not over face your dog with work that is too advanced. You may choose to observe any session as an alternative to working a dog in a session.

Booking into the Class of Your Choice

For each session you may only attend one class. That is, you can book into 1a or 1b or 1c etc. Please indicate your choices on your booking form, however there is no guarantee that you will be allocated the class of your choosing as it will depend on numbers.

Instructors and Set-up

Instructors are subject to change without notice. All instructors over the day are volunteers. They have given up their time and a chance to train their own dog to help you. Please show good manners and listen to what they have to say. When asked to change a course or a sequence please jump in and help. Please be ready by 8.30 am in the morning to help the instructors with the set-up of the various classes.
